

**CURIOUS ABOUT DATA AND HOW YOU CAN USE IT FOR GOOD?
JOIN US FOR OUR NEXT**

DATA SCIENCE CAREER PANEL

If you're a student, educator, or just interested in data, discover your path to data science by hearing expert panelists discuss their data science journeys and exciting opportunities today and in the future!

FRIDAY, JUNE 11, 2021 at 3 PM - 4 PM ET
REGISTER FOR OUR VIRTUAL EVENT AT
<https://bit.ly/20210611-DataScienceCareers>

MODERATORS:

Abhishek Sinha: Graduate Student of Data Science at Columbia University and Project Coordinator of the Northeast Student Data Corps

Haleigh Stewart: Undergraduate Senior at Columbia University and Project Coordinator of the Northeast Student Data Corps

JOIN US TO LEARN HOW OUR PANELISTS USE DATA FOR GOOD

Edwood Brice is a Junior Data Scientist at MassMutual

Leverages data science to develop algorithmic mortality pipelines with a focus on underwriting and wearable technology data.

Julia Stoyanovich is Assistant Professor of Computer Science and Engineering at the Tandon School of Engineering and the Center for Data Science at New York University

Focuses on responsible data management and analysis practices in all stages of data acquisition.

Hsun-Hsien Shane Chang is Director of Data Science & Artificial Intelligence at the Novartis AI Innovation Center

Builds machine learning models to crunch clinical, imaging, and omics data.
